## How to use this document:

- Decide whether you'd want to give to a worldwide campaign or a country-specific campaign. If it's a worldwide campaign, go to the next step.
- Select a campaign based on the description provided. Read more about it by clicking the URL.
- As some of us are more inclined to give to groups whose names we've heard of, we've included the top humanitarian organizations on the list.

---

# WHO - UN

<https://covid19responsefund.org/>

## Program

COVID-19 Solidarity Response Fund

It's an unprecedented health challenge and we know people and organizations everywhere want to help. The World Health Organization is leading and coordinating the global effort, supporting countries to prevent, detect, and respond to the pandemic.

# Spotify

<https://covid19musicrelief.byspotify.com/en-us>

## Program

### Spotify COVID-19 Music Relief Project

This project has been created to amplify the efforts of organizations that focus on helping those most in need, beginning with groups of musicians and artists all over the world who are badly hit by this crisis. Spotify is making a donation to selected organizations and will match donations made via the page above dollar for dollar up to a collective total of \$10 million.
